West Coast Ports: What Comes Next?

Moving Almonds Around the World Isn't So Easy...

- Last year's port slowdown caused significant problems for shippers
- Legislation and creative solutions were essential....
- How do we prepare for the *next* negotiation?

Peter Friedmann

Serves as the Executive Director of the Agriculture Transportation Coalition. He plays a key role in developing U.S. and international transportation policy. In 1987, he helped form the AgTC when a number of agricultural exporters sought assistance in dealing with ocean transportation challenges.
